# CES-Guest WIFI Instructions – MAC

Cooperative Extension Service guests can connect to the CES-GUEST Wifi access points without having an Extension AD account. These instructions cover the process of connecting and agreeing to the Terms of Use Policy.

---

## Connecting with an iPhone/iPad

1. Go to **Settings**. 

2. Choose Network from the options. 

3. Select **Wi-Fi** on the left. 

4. Select **CES-GUEST** from the list of available networks.

5. Once the device connects to the network, it should automatically open Safari and display the "*Guest Wireless Terms of Use*" webpage.

6. Read the policy and check the box next to "**I accept the terms and conditions**". Then click on **Sign In.**

7. You are now connected and can use the Guest WIFI network while on campus.
