

## CES-Guest WIFI Instructions – iPhone/iPad

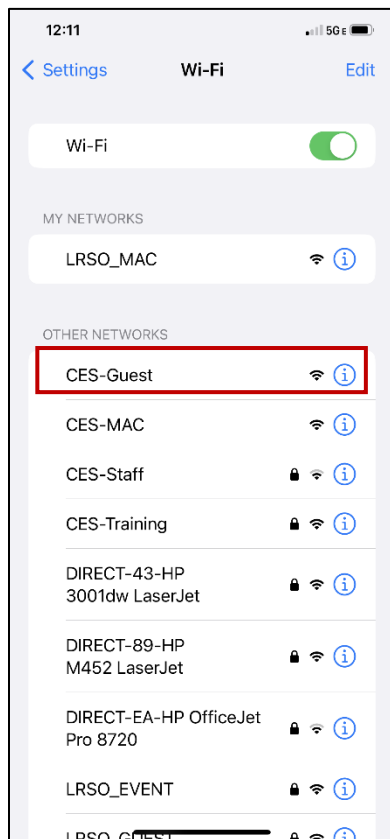

Cooperative Extension Service guests can connect to the CES-GUEST Wifi access points without having an Extension AD account. These instructions cover the process of connecting and agreeing to the Terms of Use Policy.

### Connecting with an iPhone/iPad

1. Go to **Settings** and **Wi-Fi**.
2. Select **CES-GUEST** from the list of available networks.
3. Once the device connects to the network, it should automatically open Safari.  
The "Guest Wireless Terms of Use" webpage is shown.
4. Read the policy and check the box next to **I accept the terms and conditions**. Then click on **Sign In**.
5. You are now connected and can use the Guest WIFI network while on campus.
