The above contract has received legal review and is acceptable for signature ( ) **or** ( ) is returned with comments and/or suggested revisions. Comments: \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

For contracts for the purchase of commodities or services, as defined by the Arkansas Procurement Law in which the single year contract amount exceeds \$75,000, this signature certifies that the contract has been reviewed in accordance with the requirement of Ark. Code Ann. § 12-11-219(b)(1), and, where necessary, changes have been proposed to make the contract consistent with the requirements of Arkansas law and University policy.

The written revisions and comments set forth herein and as reflected on any attachments thereto are made solely for the benefit of the University and its institutions and are **not** intended to be provided directly to the vendor or relied upon as a statement of law with regard to other matters or by anyone outside of the University and its institutions. Such revisions and comments are provided to assist you in negotiating the terms of the agreement and to comply with Board policies requiring legal review. Based on the limited information provided, no opinion is rendered regarding the economic feasibility of the terms of the contract, compliance with state ethics laws or the advisability of the venture as a whole.
